Authorization to Release Information

School cannot guarantee employment or salary

I authorize my employer (current or future) to release the below information regarding my employment to Schiller International University. I understand that my individual student information will not be published externally, but that it may be used for internal data analysis. I further understand that consolidated information will be utilized for the purposes of fulfilling regulatory graduate employment reporting requirements.

- Place of Employment
- Date of Employment
- Job Title
- Description of Responsibilities
- Salary

If applicable, I authorize verification of my continued education at a University or College after graduating from my current academic program. This information will be utilized for the purposes of fulfilling regulatory graduate employment reporting requirements.

- Enrollment/ Attendance Date
- Degree Program

I understand that Schiller International University does not guarantee employment or salary following graduation but does offer career planning and placement assistance to students and graduates.

I am authorizing electronically**. Place an X here**: ☐
